

## **LIFE COMMUNITY CHURCH – CORE LEADERSHIP TEAM**

**Thank you for your interest in knowing more about what it means to be a Core Leader here at Life Community Church. Below you will find a list which identifies the characteristics of one who feels called to lead. Integral to each of those characteristics we encourage you to see the foundational aspect of leading as one who is committed.**

**We realize that we live in a day and perhaps more importantly in a culture that is often defined by over committing. In the Old Testament, King Solomon wrote in the book of Ecclesiastes that *there is a time for everything*. His point being, that it is imperative to know how to manage your own time when considering giving it to a mission you believe in.**

**If this is your time to lead at LCC, God will help you discern that. Immerse this decision in prayer, for that is the only way you and I will ever hear the voice of God with clarity.**

**God is on the move in this church. Renewal is going on in many of our lives as we trust in the Holy Spirit to resource us to live as Jesus called us to live. This is a great time to be a part of this local Body of Christ. Please let me know how I can help in your own consideration of pursuing a role on the Core Leadership Team. Looking forward to hearing from you.**

**Blessings,**

**Pastor Mike**

## **THE CHARACTERISTICS OF A CORE LEADER @ LCC**

- 1. Is a follower of Jesus leading a life of increasing trust in the Father through Christ the Son by the power of the Holy Spirit.**
- 2. Is committed to growing as a follower of Jesus as outlined in Acts 2:42**
- 3. Is committed to the Vision and the Core Values of Life Community Church (see attached)**
- 4. Is committed to serving on a ministry team at Life Community Church (see attached)**
- 5. Is committed to giving financially. Each one does what they can. Giving is seen not in the amount but in the sacrifice. Give what you can not what you can't.**
- 6. Is committed to being ahead of time for LCC worship services and Life Groups so that they are able to connect with both visitors and friends as well as taking time to prepare for God to impact themselves and the group who are here to worship.**
- 7. Is committed to communicating. When a leader receives a communiqué a leader responds to that communiqué.**

**We also would like to have any candidates who would like to serve on the Core Leadership Team to write a brief statement about why they want to serve in this capacity. Think – How has**

**God changed my life while being a part of LCC so that I might be a part of helping encourage others on this journey.**
